(a) The principal of and interest on the Bonds shall be paid in lawful money of the United States of America.

(b) Interest on the Bonds shall be payable to the Owners as shown in the Register at the close of business on the Record Date. However, in the event that interest on the Bonds is not paid on a scheduled Interest Payment Date and remains unpaid for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") shall be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. (c) Interest on each Bond shall be paid by check dated as of the Interest Payment Date, and sent on or before the Interest Payment Date by first-class United States mail, postage prepaid, by the Paying Agent/Registrar to each Owner at the address of each Owner as such appears in the Register or by such other customary banking arrangements acceptable to the Paying Agent/Registrar and the person to whom interest is to be paid; provided, however, that such person shall bear all risk and expense of such other customary banking arrangements.

(d) The principal of each Bond shall be paid to the Owner thereof on the Maturity Date upon presentation and surrender of such Bond at the Designated Payment/Transfer Office.

(f) Subject to Title 6 of the Texas Property Code, or similar law, Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three years after the applicable payment or redemption date shall be deposited into the Interest and Sinking Fund and applied to the next payment on the Bonds thereafter coming due; to the extent any such moneys remain after the retirement of all outstanding Bonds, such moneys may be used by the City for any lawful purpose. Thereafter, neither the City, the Paying Agent/Registrar, nor any other person shall be liable or responsible to any Owners of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to Title 6 of the Texas Property Code, or similar law.

Section 3.04 Execution and Registration of Bonds.

(a) The Bonds shall be executed on behalf of the City by the Mayor and City Clerk of the City, by their manual or facsimile signatures, and the official seal of the City shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the City had been manually impressed upon each of the Bonds.

(b) In the event any officer of the City whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered at the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by his duly authorized agent, which certificate shall be evidence that the Initial Bonds have been duly approved by the Attorney General of the State of

Texas and that they are valid and binding obligations of the City, and have been registered by the Comptroller of Public Accounts of the State of Texas.

(d) On the Closing Date, one initial Bond (the "Initial Bond"), representing the entire principal amount of the Bonds, payable in stated installments to the Purchaser or its designee, such Initial Bond to be executed by manual or facsimile signature of the Mayor and City Clerk of the City, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver to DTC definitive Bonds registered in the name of Cede & Co., in accordance with Section 3.10 hereof.

Section 3.05 Ownership.

(a) The City, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute Owner of such Bond for the purpose of making and receiving payment of the principal, for the further purpose of making and receiving payment of the interest thereon (subject to the provisions herein that interest is to be paid to the person in whose name the Bond is registered on the Record Date or Special Record Date, as applicable), and for all other purposes, whether or not such Bond is overdue, and neither the City nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of a Bond shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06 Registration, Transfer and Exchange.

(a) So long as any Bonds remain outstanding, the City shall cause the Paying Agent/Registrar to keep at its Designated/Payment Transfer Office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Ordinance.

(b) The ownership of a Bond may be transferred and exchanged only upon the presentation and surrender of the Bond to the Paying Agent/Registrar. A Bond may be assigned by the execution of an assignment form on the Bond or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first class, postage prepaid, to the new registered owner or his designee. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for

exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) Each exchange Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, any subsequent transfer, or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption, in whole or in part, where such redemption is scheduled to occur within 45 calendar days after the transfer or exchange date; provided, however, such limitation of transfer shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.07 Cancellation.

All Bonds paid or redeemed before their Maturity Date in accordance with this Ordinance, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance, shall be cancelled upon the making of proper records regarding such payment, exchange or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds in accordance with the Securities Exchange Act of 1934.

Section 3.08 Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the

authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09 Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10 Book-Entry-Only System.

(a) The definitive Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof with the ownership of each such Bond registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the Letter of Representations.

(c) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Ordinance, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the registered owner at the close of business on the Record Date, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(d) The Letter of Representations previously executed and delivered by the City, and applicable to the City's obligations delivered in book-entry-only form to DTC as securities depository, is hereby ratified and approved for the Bonds.

Section 3.11 Successor Securities Depository; Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the Letter of Representations, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

Section 3.12 Payments to Cede & Co.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the Letter of Representations.

Section 4.02 Optional Redemption.

(a) The City reserves the option to redeem the Bonds maturing on and after August 15, 2014, in whole or in part, before their respective scheduled maturity dates, on August 15, 2013, or on any date thereafter, such redemption date or dates to be fixed by the City, at a redemption price equal to the principal amount thereof plus accrued interest to the redemption date.

(b) The City, at least 45 days before the redemption date, unless a shorter period shall be satisfactory to the Paying Agent/Registrar, shall notify the Paying Agent/Registrar of such redemption and of the principal amount of Bonds to be redeemed.

Section 4.03 Partial Redemption.

(a) If less than all of the Bonds subject to redemption are to be redeemed, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturities and in such principal amounts, for redemption.

(b) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. The Paying Agent/Registrar shall treat each \$5,000 portion of such Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Ordinance, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed principal amount of the Bond so surrendered, such exchange being without charge.

(d) The Paying Agent/Registrar shall promptly notify the City in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

Section 4.04 Notice of Redemption to Owners.

(a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice by first-class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown on the Register.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.05 Payment Upon Redemption.

(a) Before or on each redemption date, the City shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date, and the Paying Agent/ Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust such amounts as are received by the Paying Agent/Registrar from the City and shall use such funds solely for the purpose of paying the principal of and accrued interest on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

Section 4.06 Effect of Redemption.

(a) Notice of redemption having been given as provided in Section 4.04 of this Ordinance, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption; thereafter, unless the City defaults in its obligation to make provision for the payment of the principal thereof and accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the City shall fail to make provision for the payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear or accrue interest at the rate stated on the Bond until due provision is made for the payment of same by the City.

Section 4.07 Limitation on Transfer.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption within 45 days of the date fixed for redemption; provided, however, that such limitation shall not apply to the uncalled principal balance of a Bond called for redemption in part.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the designated office in Dallas, Texas, of JPMorgan Chase Bank, as Paying Agent/Registrar (the "Designated Payment/Transfer Office"), or, with respect to a successor paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the interest payment date, mailed by the Paying Agent/Registrar on or before such interest payment date to the registered owner at the address shown on the registration books

kept by the Paying Agent/Registrar, or by such other customary banking arrangements acceptable to the Paying Agent/Registrar and the person to whom interest is to be paid; provided, however, that such person shall bear all risk and expense of such other customary banking arrangements. For the purpose of the payment of interest on this Bond, the registered owner shall be the person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the last business day of the month next preceding such interest payment date. However, in the event that interest is not paid on a scheduled payment date and remains unpaid for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which date shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of each registered owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last business day preceding the date of mailing of such notice.

If the date for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, legal holiday, or day on which banking institutions in the city where the Designated Payment/Transfer Office is located are required or authorized by law or executive order to close, the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which banking institutions are required or authorized to close, and payment on such date shall for all purposes be deemed to have been made on the original date payment was due.

This Bond is one of a series of fully registered bonds specified in the title hereof issued in the aggregate principal amount of \$15,110,000 (herein referred to as the "Bonds"), issued pursuant to Chapter 1502 of the Texas Government Code, as amended, and a certain ordinance of the City (the "Ordinance"). Capitalized terms used herein and not otherwise defined shall have the meaning assigned thereto in the Ordinance. The Bonds are being issued for the purpose of providing funds to (i) acquire, purchase, construct, improve, renovate, enlarge or equip property, buildings, structures, facilities, or related infrastructure for the System, (ii) fund the Reserve Fund by making a deposit thereto or, in lieu thereof, acquiring a Reserve Fund Credit Facility, and (iii) pay the costs of issuing the Bonds.

The Bonds constitute special obligations of the City and are payable solely from and equally secured by a first lien on and pledge of the Net Revenues of the System. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the System, except with respect to the Net Revenues.

The City expressly reserves the right to issue additional revenue obligations in all things on a parity with the Bonds, payable solely from and equally secured by a first lien on and pledge of the Net Revenues of the System; provided, however, that any and all such additional obligations may be so issued only in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Ordinance to which reference is hereby made for more complete and full particulars.

The City has reserved the option to redeem the Bonds maturing on and after August 15, 2014, in whole or in part before their respective scheduled maturity dates, on August 15, 2013, or on any date thereafter, at a redemption price equal to the principal amount thereof plus accrued interest to the date of redemption. If less than all of the Bonds are to be redeemed, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity and in such principal amounts, for redemption.

Notice of such redemption or redemptions shall be given by first-class mail, postage prepaid, not less than 30 days prior to the date fixed for redemption, to the registered owner of each of the Bonds to be redeemed in whole or in part. Notice having been so given, the Bonds or portions thereof designated for redemption shall become due and payable on the redemption date specified in such notice, and from and after such date, notwithstanding that any of the Bonds or portions thereof so called for redemption shall not have been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.

As provided in the Ordinance, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption within 45 days of the date fixed for redemption; provided, however, that such limitation shall not apply to the uncalled principal balance of a Bond called for redemption in part.

The City, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the "Record Date") and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds to render the same lawful and valid have been properly done and have happened in regular and due time, form and manner as required by law; that the Bonds do not exceed any constitutional or statutory limitation; and that provision has been made for the payment of the principal of and interest on the Bonds by irrevocably pledging the Revenues of the System, as hereinabove recited.

The owner hereof shall never have the right to demand payment of this Bond out of any funds raised or to be raised by taxation.

IN WITNESS WHEREOF, the City has caused this Bond to be executed under its official seal.

ARTICLE VII

FUNDS AND ACCOUNTS

Section 7.01 Creation of Funds.

All revenues derived from the operation of the System shall be kept separate from other funds of the City. To that end, the following special Funds, to be held by the City's depository bank, are hereby established:

(a) "City of El Paso, Texas, Solid Waste Disposal System Fund," hereinafter called the "System Fund."

(b) "City of El Paso, Texas, Solid Waste Disposal System Reserve Fund," hereinafter called the "Reserve Fund."

(c) "City of El Paso, Texas Solid Waste Disposal System Interest and Sinking Fund," hereinafter called the "Interest and Sinking Fund."

Section 7.02 System Fund.

(a) The City hereby covenants and agrees that the Gross Revenues of the System (excluding earnings and income derived from investments held in the Interest and Sinking Fund and the Reserve Fund) shall be deposited as collected to the credit of the System Fund. All Gross Revenues deposited in the System Fund shall be pledged and appropriated to the extent required for the following uses and in the order of priority shown:

First: To the payment of Operations and Maintenance Expenses.

Second: To the payment of the amounts required to be deposited in the Interest and Sinking Fund for the payment of Debt Service on the Parity Bonds as the same becomes due and payable.

Third: To the payment of the amounts required to be deposited in the Reserve Fund to maintain the Required Reserve in accordance with the provisions of this Ordinance or any other ordinance relating to the issuance of Additional Bonds.

(b) Amounts remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be transferred to the City's general fund or used for any lawful purpose.

Section 7.03 Interest and Sinking Fund.

(a) Moneys on deposit in the Interest and Sinking Fund shall be used solely for the purpose of paying the principal of and interest on the Parity Bonds as the same becomes due and payable. The City hereby covenants that there shall be deposited into the Interest and Sinking Fund from the System Fund an amount sufficient to pay Debt Service on the Parity Bonds when due, either on the Maturity Date or at prior redemption. Deposits to the Interest and Sinking Fund shall be made in substantially equal monthly installments each month beginning the month next following the Closing Date for a series of Parity Bonds.

(b) The required monthly deposits to the Interest and Sinking Fund for the payment of Debt Service on the Parity Bonds shall continue to be made as hereinabove provided until (i) the total amount on deposit in the Interest and Sinking Fund and the Reserve Fund is equal to the amount required to fully pay and discharge all Outstanding Parity Bonds or (ii) the Parity Bonds are no longer Outstanding.

(c) Accrued interest received from the sale of the Parity Bonds, as well as earnings derived from the investment of moneys in the Interest and Sinking Fund, shall be deposited to the credit of the Interest and Sinking Fund and taken into consideration in determining the amount of the monthly deposits hereinabove required to be deposited in the Interest and Sinking Fund from the Net Revenues of the System.

Section 7.04 Reserve Fund.

(a) The City covenants and agrees that commencing the month immediately succeeding the Closing Date, and each month thereafter, it will deposit to the Reserve Fund such amounts in equal monthly installments to cause the Reserve Fund Obligations in the Reserve Fund to equal the Reserve Fund Requirement within 60 months of the Closing Date. Upon issuance of Additional Bonds, it will increase, if necessary, and accumulate the amount to be deposited in the Reserve Fund in accordance with the requirements set forth in Section 9.02 hereof. For so long as the amount on deposit in the Reserve Fund is equal to the amount then required to be on deposit therein, no additional deposit need be made therein. In the event the Reserve Fund at any time contains less than the amount then required to be on deposit therein, then, subject and subordinate to making the required deposits to the credit of the Interest and Sinking Fund, the City shall deposit to the Reserve Fund from the Net Revenues amounts equal to such deficiency; provided, however, the City shall cause any such deficiency to be cured by making monthly installments of at least 1/24th of any such deficiency in each month following a deficiency. The money on deposit in the Reserve Fund shall be used solely for the purpose of paying Debt Service on the Parity Bonds at any time there are insufficient moneys on deposit in the Interest and Sinking Fund for such purpose.

(b) The City may, at its option, withdraw all amounts in the Reserve Fund in excess of the Reserve Fund Requirement and deposit the same in the System Fund; provided, however, that to the extent such surplus monies constitute bond proceeds, including interest and income derived therefrom, such amounts shall not be deposited to the System Fund and shall only be used for the purposes for which bond proceeds may be used.

(c) For the purpose of determining compliance with the requirements of subsection (a) of this Section, Reserve Fund Obligations shall be valued each year as of the last day of the City's fiscal year at their cost or market value, whichever is lower, except that any direct obligations of the United States (State and Local Government Series) held for the benefit of the Reserve Fund in book-entry form shall be continuously valued at their par value or face principal amount.

(d) To the extent permitted by, and in accordance with applicable law and upon approval of the Attorney General of the State of Texas, the City may substitute a Credit Facility for cash or investment securities on deposit in the Reserve Fund or in substitution or replacement of any existing Credit Facility. Upon such replacement or substitution, cash or investment securities of any of the types permitted by Section 7.06 hereof, on deposit in the Reserve Fund which, taken together with the face amount of any existing Credit Facilities, are in excess of the Reserve Fund Requirement may be withdrawn by the City, at its option, and transferred to the System Fund; provided that the face amount of any Credit Facility may be reduced at the option of the City in lieu of such transfer. However, to the extent such surplus moneys constitute bond proceeds, including interest and income derived therefrom, such amounts shall not be deposited to the System Fund and shall only be used for the purposes for which bond proceeds may be used. Any interest due on any reimbursement obligation under the Credit Facility shall not exceed the highest lawful rate of interest which may be paid by the City.

(e) If the City is required to make a withdrawal from the Reserve Fund for any of the purposes described in this Section, the City shall promptly notify the issuer of such Credit Facility of the necessity for a withdrawal from the Reserve Fund for any such purposes, and shall make such withdrawal first from available moneys or investment securities then on deposit in the Reserve Fund, and next from a drawing under any Credit Facility to the extent of such deficiency. In the event that on the date of termination or expiration of any Credit Facility there is not on deposit in the Reserve Fund sufficient Reserve Fund Obligations, equal to the Reserve Fund Requirement, then, after making required deposits to the Interest and Sinking Fund, the City shall deposit to the Reserve Fund from the first available Net Revenues amounts necessary to satisfy the Reserve Fund Requirement; provided, however, the City shall cause any such deficiency to be cured by making monthly installments of at least 1/24th of the Reserve Fund Requirement in each month following such deficiency.

(f) In the event of the redemption or defeasance of any of the Outstanding Parity Bonds, any Reserve Fund Obligations on deposit in the Reserve Fund in excess of the Reserve Fund Requirement may be withdrawn and transferred, at the option of the City, to the System Fund, as a result of (i) the redemption of the Outstanding Parity Bonds, or (ii) funds for the payment of the Outstanding Parity Bonds having been deposited irrevocably with the paying agent or place of payment therefor in the manner described in this Ordinance, the result of such deposit being that such Outstanding Parity Bonds no longer are deemed to be outstanding under the terms of this Ordinance. However, to the extent such surplus moneys constitute bond proceeds, including interest and income derived therefrom, such amounts shall not be deposited to the System Fund and shall only be used for the purposes for which bond proceeds may be used.

(g) In the event there is a draw upon the Credit Facility, the City shall reimburse the issuer of such Credit Facility for such draw in accordance with the terms of any agreement pursuant to which the Credit Facility is issued from Net Revenues; however, such reimbursement from Net Revenues shall be subject to the provisions of subparagraph (e) hereof, and shall be subordinate and junior in right of payment to the payment of Debt Service on the Bonds.

(h) The City hereby authorizes the acquisition of a debt service reserve fund surety bond (the "2004 Credit Facility") from _____ in an amount equal to the Reserve Fund Requirement upon issuance of the Bonds. In connection therewith, the Mayor is authorized to execute the Financial Guaranty Agreement, in substantially the form presented at this meeting with such changes as are approved by Bond Counsel or requested by the Attorney General of the State of Texas.

Section 7.05 Deficiencies; Excess Revenues.

(a) If on any occasion there shall not be sufficient Net Revenues of the System to make the required deposits into the Interest and Sinking Fund and the Reserve Fund, then such deficiency shall be cured as soon as possible from the next available Net Revenues, or from any other sources lawfully available for such purpose.

(b) Subject to making the required deposits to the Interest and Sinking Fund and the Reserve Fund in accordance with the provisions of this Ordinance, or any ordinance authorizing the issuance of Additional Bonds, the excess Net Revenues may be transferred to the City's general operating fund or used by the City for any lawful purpose.

Section 7.06 Security of Funds.

(a) Money in any Fund may, at the option of the City, be invested in funds and obligations authorized and identified in the Public Funds Investment Act, as amended or other applicable law; provided, however, the investment of moneys held in the Interest and Sinking Fund and the Reserve Fund shall be restricted to time deposits or certificates of deposit secured (to the extent not insured by the Federal Deposit Insurance Corporation) by obligations of the type hereinafter described, or be invested, including investments held in book-entry form, in direct obligations of the United States of America and obligations guaranteed or insured by the United States of America, which, in the opinion of the Attorney General of the United States, are backed by its full faith and credit or represent its general obligations; provided that all such deposits and investments shall be made in such a manner that the money required to be expended from any Fund will be available at the proper time or times and provided further the maximum stated maturity for any investment acquired with money in the Reserve Fund shall be limited to five (5) years from the date of the investment of such money. Such investments (except State and Local Government Series investments held in book-entry form, which shall at all times be valued at cost) shall be valued in terms of current market value within 45 days of the close of each Fiscal Year and, with respect to investments held for the account of the Reserve Fund, within 30 days of the date of passage of each ordinance authorizing the issuance of Additional Bonds. All interest and income derived from deposits and investments in the Interest and Sinking Fund immediately shall be credited to, and any losses debited to, the Interest and Sinking Fund. All interest and interest income derived from deposits in and investments of the Reserve Fund shall, subject to the limitations provided in Section 7.04 hereof, be credited to and deposited in the System Fund. All such investments shall be sold promptly when necessary to prevent any default in connection with the Parity Bonds.

(b) To the extent amounts deposited to the credit of any Funds referenced herein are not invested, such uninvested amounts shall be secured in the manner and to the fullest extent required by laws of the State of Texas for the security of public funds.

ARTICLE IX

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01 Payment of Parity Bonds.

While any of the Parity Bonds are Outstanding, designated financial officer of the City shall cause to be transferred to the respective Paying Agent/Registrar for such Parity Bonds, from funds on deposit in the Interest and Sinking Fund, and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly as each installment of interest and principal of the Parity Bonds accrues or matures or comes due by reason of redemption prior to maturity; such transfer of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Parity Bonds at the close of the last business day next preceding the date of payment for the Parity Bonds.

Section 9.02 Issuance of Additional Parity Bonds.

(a) In addition to the right to issue bonds of inferior lien as authorized by law, the City reserves the right to issue Additional Bonds, under and in accordance with this Section 9.02, for the purpose of providing funds to acquire, purchase, construct, improve, renovate, enlarge, or equip property, buildings, structures, facilities, or related infrastructure for the System and for the purpose of refunding, in any lawful manner, any part or all of the Parity Bonds then Outstanding. The Additional Bonds shall be secured by and payable from a first lien on and pledge of the Net Revenues in the same manner and to the same extent as the Bonds; and the Bonds and the Additional Bonds then proposed to be issued shall in all respects be on a parity and of equal dignity as to lien and right. Additional Bonds may be issued under this Section in one or more installments; provided, however, that none of the Additional Bonds shall be issued unless and until the following conditions have been met, to-wit:

(i) The City is not then in default as to any covenant, condition or obligation prescribed by any ordinance authorizing the issuance of Parity Bonds;

(ii) Each of the special Funds created for the payment and security of the Parity Bonds then Outstanding contain the amount of money then required to be on deposit therein;

(iii) The Additional Bonds shall be scheduled to mature or be payable as to principal on February 15 or August 15 (or both) in each year the same are to be outstanding or during the term thereof;

(iv) The City has secured a certificate or opinion of a Certified Public Accountant to the effect that, according to the books and records of the City, the Net Revenues for the last completed Fiscal Year, or for 12 consecutive months out of the 15 months immediately preceding the month in which the ordinance authorizing the issuance of the then proposed Additional Bonds is passed, are at least equal to 1.25 times the maximum annual Debt Service requirements for all Outstanding Parity Bonds after giving effect to the issuance of the Additional Bonds then being issued. In making a determination of the Net Revenues, the Accountant may take into consideration a change in the charges for services afforded by the System that became effective at least 30 days prior to the last day of the period for which Net Revenues are determined and, for purposes of satisfying the above Net Revenues test, make a pro forma determination of the Net Revenues of the System for the period of time covered by his certification or opinion based on such change in charges being in effect for the entire period covered by the certificate or opinion of the Accountant; and

(v) The ordinance authorizing the Additional Bonds (A) requires that deposits shall be made into the Interest and Sinking Fund in amounts adequate to pay the principal and interest requirements of the Additional Bonds as the same become due; and (B) provides that the aggregate amount to be accumulated and maintained in the Reserve Fund shall be increased to an amount equal to the Reserve Fund Requirement for all Parity Bonds to be Outstanding after the issuance of said Additional Bonds. Such additional amount shall be so accumulated in not more than sixty months from the date of the Additional Bonds.

Section 9.03 Additional Bonds Reserve Fund Requirement.

Whenever Additional Bonds are issued, the amount to be accumulated and maintained in the Reserve Fund shall be increased or decreased to an amount equal to the Reserve Fund Requirement for all Parity Bonds to be Outstanding after the issuance of the Additional Bonds. Any such additional amount shall be so accumulated in equal monthly installments during a period not to exceed five years from the date of the Additional Bonds.

Section 9.04 Issuance of Obligations of Inferior Lien and Pledge.

The City hereby reserves the right to issue obligations payable from and secured by a lien on and pledge of the Net Revenues of the System, junior and subordinate in rank and dignity to the lien and pledge securing the payment of the Parity Bonds, as may be authorized by the laws of the State of Texas.

Section 9.05 Refunding Bonds.

The City reserves the right to issue refunding bonds to refund all or any part of the Parity Bonds (pursuant to any law then available) upon such terms and conditions as the City Council may deem to be in the best interest of the City and its inhabitants, and if less than all of such Parity Bonds then Outstanding are refunded, the conditions precedent prescribed (for the issuance of Additional Bonds) set forth in Section 9.02 hereof shall be satisfied and the

certificate or opinion of the Accountant required in Section 9.02 shall give effect to the Debt Service of the proposed refunding bonds (and shall not give effect to the Debt Service on the bonds being refunded following their cancellation or provisions being made for their payment).

Section 9.06 Maintenance and Operation - Insurance.

In regard to the operations and properties of the System, the City agrees to carry and maintain liability and property damage insurance of the kind and in the amounts customarily carried by municipal corporations in Texas on such kind of properties; provided, however, the City, in lieu of and/or in combination with carrying such insurance, may self-insure against all perils and risks by establishing self-insurance reserves. Annually each year, not later than the end of each Fiscal Year, the City shall prepare or cause to be prepared by a person competent and knowledgeable in such matters a written evaluation of the adequacy of such self-insurance and/or insurance coverage and of any recommended changes in regard to the City's insurance/self-insurance policies, practices and procedures.

Section 9.07 Rates and Charges.

For the benefit of the Owners of the Parity Bonds and in accordance with the provisions of the Act and other applicable laws of the State of Texas, the City hereby expressly stipulates and agrees, while any of the Parity Bonds are Outstanding, to establish, maintain and impose charges for services afforded by the System that are reasonably expected, on the basis of available information and experience and with due allowance for contingencies, to be sufficient to:

- (a) Pay all Operations and Maintenance Expenses of the System;
- (b) Produce Net Revenues each year in an amount reasonably anticipated to be not less than 1.50 times the average annual principal and interest requirements of the Parity Bonds then Outstanding;
- (c) Make any required deposits to the Reserve Fund and any contingency fund created for the payment and security of the Parity Bonds; and
- (d) Pay all other indebtedness payable from and/or secured in whole or in part by a lien on and pledge of the Net Revenues subordinate to the lien on and pledge of the Net Revenues to the Parity Bonds.

Section 9.08 No Free Service.

The City hereby covenants that it will not permit free services of the System to be supplied to any user other than the City.

Section 9.09 No Sale or Encumbrance of System; Nonimpairment of Lien; No Competing Systems.

- (a) The City hereby covenants that it will not in any manner dispose of the System or any substantial part thereof, whether now or hereafter a part thereof, until the Parity Bonds shall

have been paid in full as to both principal and interest; provided, however, that this covenant shall not be construed to prevent the disposal by the City of property, which in the City's judgment, has become inexpedient to use in connection with the System, when other property of equal value is substituted therefor or when the proceeds of disposition of such property are placed in the Interest and Sinking Fund, in addition to all other amounts required to be placed in the Interest and Sinking Fund, in the current Fiscal Year, and are used for the retirement of Parity Bonds in advance of their respective stated maturities.

(b) The City covenants that it will not take any action or omit to take any action, or suffer to be done or omitted to be done, any matter or thing whatsoever whereby the lien of the Parity Bonds on the Net Revenues might or could be lost or impaired, and that the City will pay or cause to be paid, or will make adequate provision for the satisfaction and discharge of all lawful claims and demands for labor, materials, supplies, or other objects which, if unpaid, might by law be given precedence to, or an equality with, the Parity Bonds as a lien or charge upon the Net Revenues or any part thereof; provided that nothing in this paragraph shall be construed to require the City to pay, discharge or make provision for any such lien, charge, claim or demand so long as the validity thereof shall be by it in good faith contested.

(c) The City hereby covenants that it will not grant a franchise for the operation of any competing solid waste disposal system in the City until all Parity Bonds have been paid in full.

Section 9.10 Records - Accounts - Accounting Reports.

The City hereby covenants, reaffirms and agrees that so long as any of the Parity Bonds, or any interest thereon, remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the operation of the System separate and apart from all other records and accounts in which complete and correct entries shall be made of all transactions relating to said System, and that the holder or holders of any of such Parity Bonds or any duly authorized agent or agents of such holders shall have the right at all reasonable times to inspect all such records, accounts and data relating thereto, and to inspect the System and all properties comprising same. The City further agrees that within 60 days following the close of each Fiscal Year it will cause an audit of such books and accounts to be made by an independent firm of Certified Public Accountants, showing the receipts and disbursements for account of the System for the Fiscal Year.

Each such audit, in addition to whatever other matters may be thought proper by the Accountant, shall particularly include the following:

(a) a detailed statement of the income and expenditures of the System for such Fiscal Year.

(b) A balance sheet as of the end of such Fiscal Year.

(c) The Accountant's comments regarding the manner in which the City has carried out the requirements of this Ordinance and his recommendations for any changes or improvements in the operation, records and accounts of the System.

(d) A list of the insurance policies in force at the end of the Fiscal Year on the System properties, setting out as to each policy the amount thereof, the risk covered, the name of the insurer, and the policy's expiration date.

(e) A list of the securities which have been on deposit as security for the money in the interest and sinking fund portion of the Interest and Sinking Fund throughout the Fiscal Year, a list of the securities, if any, in which the reserve portion has been invested, and a statement of the manner in which money in the System Fund has been secured in such Fiscal Year.

Expenses incurred in making the audits above referred to are to be regarded as an Operations and Maintenance Expense. Copies of the aforesaid annual audit shall be furnished to the original purchasers of the Parity Bonds and any subsequent holder upon written request. At the close of the first six-month period of each Fiscal Year, the City Clerk is hereby directed to furnish a copy of an operating and income statement in reasonable detail covering such period to any bondholder upon written request therefor, received not more than 30 days after the close of said six-month period. Any Owner shall have the right to discuss with the Accountant making the annual audit the contents thereof and to ask for such additional information as he may reasonably require.

Section 9.11 Sale or Lease of Properties.

The City, to the extent and in the manner authorized by law, may sell or exchange for consideration representing the fair value thereof, as determined by the City Council of the City, any property of the System which is obsolete, damaged or worn out or otherwise unsuitable. The proceeds of any sale of properties of the System shall be deposited in the System Fund.

Section 9.12 Discharge of Obligation of City.

The Bonds may be refunded, defeased and discharged in any manner permitted by applicable law.

Section 9.13 Bonds as Negotiable Instruments. Each of the Bonds shall be deemed and construed to be an "Investment Security" and, as such, a negotiable instrument, within the meaning of Article 8 of the Texas Uniform Commercial Code.

Section 9.14 Special Covenants.

The City further covenants and agrees by and through this Ordinance as follows:

(i) It has the lawful power to pledge the Net Revenues to the payment of the Parity Bonds to the extent provided herein and has lawfully exercised said power under the Constitution and laws of the State of Texas, including the Act, and that the Parity Bonds issued hereunder, together with any Additional Bonds, shall be ratably secured in such manner that no one bond shall have preference over any other bond of said issues.

(ii) The Net Revenues of the System have not been in any manner pledged or encumbered to the payment of any debt or obligation of the City or the System, save and except for the Bonds.

(iii) To exercise and pursue with due diligence available remedies provided by law for the collection of delinquent charges for the use of services of the System.

Section 9.15 Ordinance a Contract - Amendments.

This Ordinance shall constitute a contract with the Owners from time to time, be binding on the City, and shall not be amended or repealed by the City while any Bond remains Outstanding except as permitted in this Section. The City, may, without the consent of or notice to any Owners, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Owners, to cure any ambiguity, inconsistency, or formal defect or omission herein and to provide additional security for the payment of the Bonds. In addition, the City may, with the written consent from the owners holding a majority in aggregate principal amount of the Bonds then Outstanding (excluding Bonds acquired by or held for the account of the City) affected thereby, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the written consent of all Owners of Bonds then Outstanding, no such amendment, addition, or rescission shall (a) extend the time or times of payment of the Bonds, reduce the principal amount thereof, the redemption price therefor, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Bonds, (b) give any preference to any Bond over any other Bond, or (c) reduce the aggregate principal amount of Bonds required to be held for consent to any such amendment, addition, or rescission.

Section 9.16 Provisions Concerning Federal Income Tax Exclusion.

The City intends that the interest on the Bonds shall be excludable from gross income for purposes of federal income taxation pursuant to sections 103 and 141 through 150 of the Code and the applicable regulations promulgated thereunder (the "Regulations"). The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would cause the interest on the Bonds to be includable in the gross income, as defined in section 61 of the Code, of the holders thereof for purposes of federal income taxation. In particular, the City covenants and agrees to comply with each requirement of Sections 9.16 through 9.22, inclusive; provided, however, that the City shall not be required to comply with any particular requirement of Sections 9.16 through 9.22, inclusive, if the City has received an opinion of nationally recognized bond counsel ("Counsel's Opinion") that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or if the City has received a Counsel's Opinion to the effect that compliance with some other requirement set forth in Sections 9.16 through 9.22 will satisfy the applicable requirements of the Code, in which case compliance with such other requirement specified in such Counsel's Opinion shall constitute compliance with the corresponding requirement specified in such Sections.

Section 9.17 No Private Use or Payment and No Private Loan Financing.

The City shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "private activity bonds" within the meaning of section 141 of the Code and the Regulations. The City covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Bonds will not be "private activity bonds" within the meaning of section 141 of the Code and the Regulations.

Section 9.18 No Federal Guaranty.

The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code and the Regulations, except as permitted by section 149(b)(3) of the Code and the Regulations.

Section 9.19 Bonds are not Hedge Bonds.

The City covenants and agrees not to take any action, or knowingly omit to take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be "hedge bonds" within the meaning of section 149(g) of the Code and the Regulations.

Section 9.20 No Arbitrage Covenant.

The City shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the City will reasonably expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of section 148(a) of the Code and the Regulations. Moreover, the City covenants and agrees that it will make such use of the proceeds of the Bonds including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be "arbitrage bonds" within the meaning of section 148(a) of the Code and the Regulations.

Section 9.21 Arbitrage Rebate.

If the City does not qualify for an exception to the requirements of Section 148(f) of the Code, the City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the "gross proceeds" of the Bonds (within the meaning of section 148(f)(6)(B) of the Code) be rebated to the federal government. Specifically, the City will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the City allocable to other bond issue of the City or moneys which do not represent gross proceeds of any bonds of

the City, (ii) calculate at such times as are required by the Regulations, the amount earned from the investment of the gross proceeds of the Bonds which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

Section 9.22 Information Reporting.

The City covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and the Regulations.

Section 9.23 Continuing Obligation.

Notwithstanding any other provision of this Ordinance, the City's obligations under the covenants and provisions of Section 9.16 through 9.22, inclusive, shall survive the defeasance and discharge of the Bonds.

ARTICLE X

DEFAULT AND REMEDIES

Section 10.01 Remedies in Event of Default.

In addition to all rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City:

(a) defaults in payments to be made to the Interest and Sinking Fund or the Reserve Fund as required by this Ordinance; or

(b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Ordinance, which default materially and adversely affects the rights of the Owners, including but not limited to their prospect or ability to be repaid in accordance with the Ordinance, and the continuation thereof for a period of sixty days after notice of such default is given by any Owner to the City, the Owners of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in this Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy herein provided shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

ARTICLE XI

Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles described in Exhibit A hereto, and (ii) audited, if the City commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the City shall provide notice that audited financial statements are not available and shall provide unaudited financial statements for the applicable fiscal year to each NRMSIR and any SID. Thereafter, when and if audited financial statements become available, the City shall provide such audited financial statements as required to each NRMSIR and to any SID.

(b) If the City changes its fiscal year, it will notify each NRMSIR and any SID of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

(c) The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to each NRMSIR and any SID or filed with the SEC.

Section 11.02 Material Event Notices. (a) The City shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any of the following events with respect to the Bonds, if such event is material within the meaning of the federal securities laws:

- (i) principal and interest payment delinquencies;
- (ii) nonpayment related defaults;
- (iii) unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) substitution of credit or liquidity providers, or their failure to perform;

- (vi) adverse tax opinions or events affecting the tax exempt status of the Bonds;
- (vii) modifications to rights of Owners;
- (viii) Bond calls;
- (ix) defeasance;
- (x) release, substitution, or sale of property securing repayment of the Bonds; and
- (xi) rating changes.

(b) The City shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with Section 11.02 of this Ordinance by the time required by such Section.

Section 11.03 Limitations, Disclaimers and Amendments. (a) The City shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the City remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the City in any event will give notice of any deposit made in accordance with Article XI that causes Bonds no longer to be Outstanding.

(b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(c) No default by the City in observing or performing its obligations under this Article shall comprise a breach of or default under the Ordinance for purposes of any other provisions of this Ordinance.

(d) Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

(e) The provisions of this Article may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (i) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (a) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Bonds. If the City so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 11.02 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.
